MARCH/APRIL

Top of the mornin' to ya! We have quite a few events in the months of March and April. Special happenings such as St. Pat's day, Easter Sunday, the arrival of Spring and beginning of Daylight Savings Time are all reasons to celebrate. And of course we have our birthday folks listed at the bottom of this page.

The caregivers will renew their two year certification in CPR on April 20th.

The rules of CPR are always changing to make the process easier.

I hope you enjoy the humor in "Forgetfulness" and remember we're all in this together!

FORGETFULNESS

While on a car trip, an old couple stopped at a roadside restaurant for lunch. The old woman unfortunately left her glasses on the table, but didn't miss them until they were back on the highway.

By then, they had to travel quite a distance before they could find a place to turn around. The old man fussed and complained all the way back to the restaurant.

When they finally arrived, as the old woman got out of the car to retrieve her glasses, the old man said,

"While you're in there, you may as well get my hat, too." cybersalt.org/cleanlaugh
