MARCH/APRIL

Top of the mornin' to ya! This is the month we all get to be Irish and look forward to spring. Like everything in life, we can not truly experience or appreciate the good without the bad. This year we will surely praise the warmth and sunshine of spring weather after enduring such a frigid cold spell in February.

We have quite a few events in the months of March and April. Special happenings such as St. Pat's day, Easter Sunday, the arrival of Spring and Daylight Savings Time, are all reasons to celebrate. And of course we have our birthday folks listed at the bottom of page.

It is hard to believe that we've all been dealing with Covid19 for one year now. Several homecare staff members have received a coronavirus vaccine. Hopefully anyone who desires to get a vaccine will be able to do so soon. Let's continue to pray for the health and safety of everyone.
